

Collaboration Map - Structured

A collaboration map is a visualization of your network of relationships. You can use one to better understand your team or social dynamics.

Fill in the bubbles with the people in your network. Then, connect the names to the center (yourself) using the key as a guide.

Key

-  strong collaboration
-  average collaboration
-  weak collaboration

What, if anything, would you like to change about your collaborations?
How can you begin to create that change?

Collaboration Map - Freeform

A collaboration map is a visualization of your network of relationships. You can use one to better understand your team or social dynamics.

This blank template is for those who want to build a custom collaboration map.

Key

-  strong collaboration
-  average collaboration
-  weak collaboration
